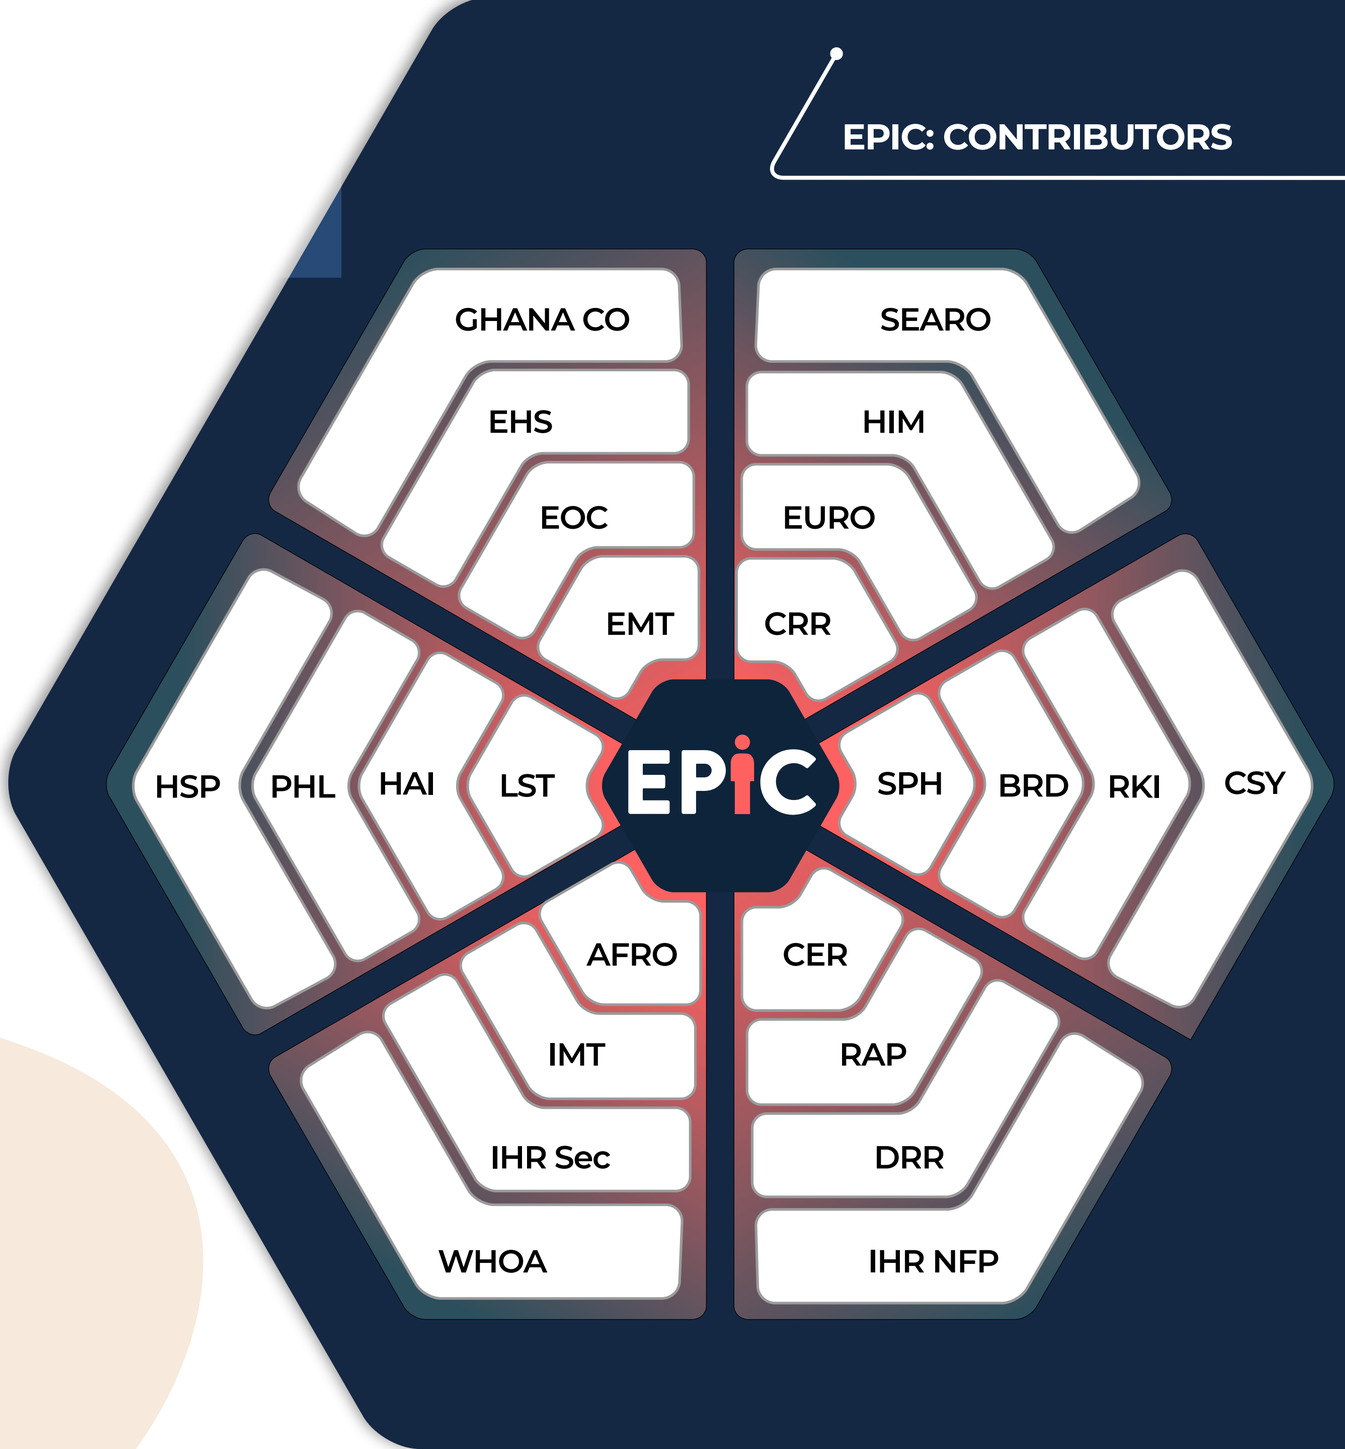
Full Day Online

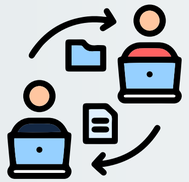
EPIC: CONTRIBUTORS



Action Points:

[Taken after 1st Sep meeting]

ACTION 01



Sharing the final cleared high-level narrative with all units

ACTION 02

Focus on V2.0 and use by NFP and IHR stakeholders

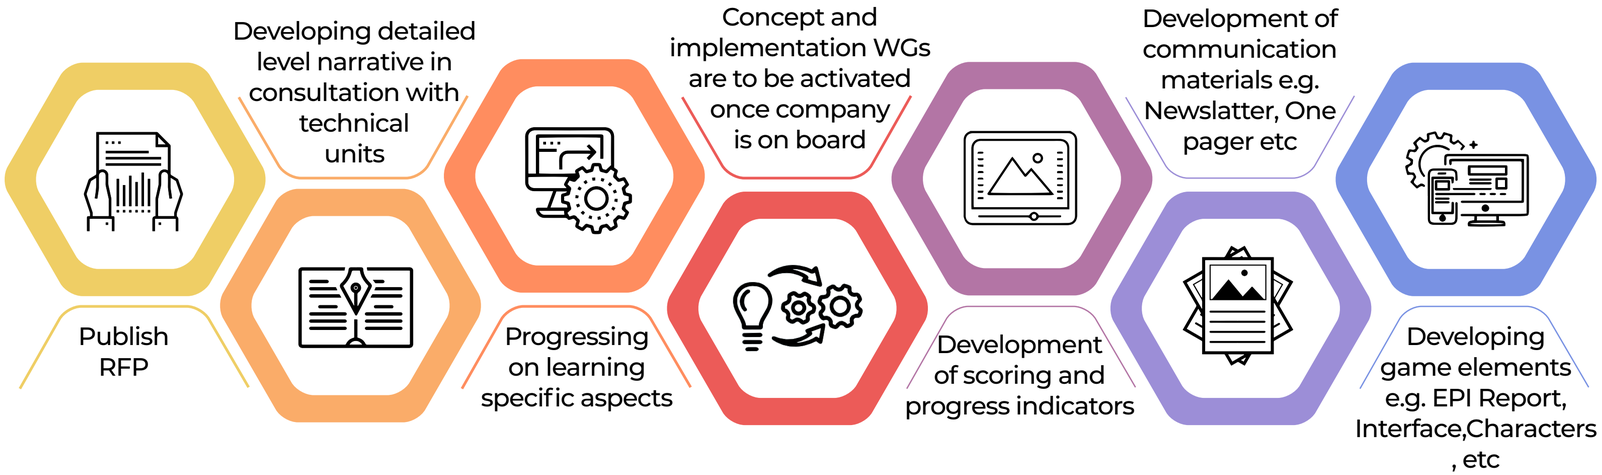
ACTION 03

Moving into mission branching structure

ACTION 04

Working with WG on main 3 aspects of the game:
- Learning,
- Concepts,
- Implementation

Ongoing developments of EPIC V2



Next steps and engagement activities

WGs for finalization of learning, concepts and implementation content

Completing detailed level narrative and technical units' clearance of the final version

Sharing references of content provided and links for available technical units' courses and trainings for building EPIC knowledge treasure chest

Joining the pilot testing workshops (collaboration for implementation)
